Profile

JAYAN PHARMAMED INDUSTRIES has a vast **20** years of experience in exporting Pharmaceutical products (Tablets, Capsules, Injection, Cream & Ophthalmic products). We are associated with leading **WHO, GMP** and **ISO** manufacturing units in India.

JAYAN PHARMAMED INDUSTRIES strives to provide a better quality of life by innovating, discovering, developing and manufacturing world-class drugs. We aim to transform and ease medical care for people with life-threatening diseases, by prioritizing our core capabilities. We are a lifesaving drug distributor who offers products that people can afford to buy that will treat their illness, make them well, reduce suffering and improve the quality of their lives.

Management & Quality

Well qualified and experienced production staff is capable of delivering the most advanced formulations with highest standards of quality. Our **QC & QA** departments have qualified staff to take care of quality at every stage of manufacturing.
